

Environmental Data Management Conference

Sponsored by:  and 

The Second Annual Environmental Data Management Conference provides environmental data management professionals with a two-day opportunity to share ideas; tools and custom applications; brainstorm and collaborate on data workflow; and present data management success stories. The conference is limited to 30 registrants. There is a *non-refundable* registration fee of \$95 per person for both days, which includes snacks and lunch and a participant certificate.

The conference schedule is still evolving. Presentation topics we're leaning toward as we finalize the schedule include:

- An introduction to using the EPA Water Quality Exchange (WQX) with EQuIS
- Streamlining the Union Between Maps and Data
- Custom Data Quality Review Solutions
- EQuIS Custom Reports Tutorial
- Historical data migration case study(s)
- EQuIS to Excel report templates
- EQuIS Enterprise Customization for casual users (Enterprise Lite)
- EQuIS for ArcGIS Server Demonstration

We want the conference to represent a broad cross-section of data management professionals so please contact Dan Higgins or Jennifer Rea if you have a suggestion for additional activities or presentations.

Dates: June 9-10, 2011

Location: McMenamins Edgefield, 2126 SW Halsey, Troutdale, Oregon 97060

A block of hotel rooms are set aside for conference attendees who want to spend the night. There are no special rates for attendees.

Registration Info: Use the attached form to register with a credit card or call Dan Higgins or Jennifer Rea at the numbers below to register by phone.

Please call **Dan Higgins at (503) 789-4758** or **Jennifer Rea of EarthSoft at (541) 686-3276** with questions.
