

# Mid-Atlantic EQUIS User Group Meeting

The Mid-Atlantic EQUIS User Group meeting will provide environmental data management professionals with a one-day opportunity to share ideas, tools and custom applications, brainstorm and collaborate on data workflows, and present data management success stories. The meeting is limited to 50 registrants. There is a non-refundable registration fee of \$25 per person for the meeting, which includes continental breakfast and lunch. Registration deadline is August 15, 2011.

The conference schedule is evolving and we are looking for presenters. Topics we're considering as we finalize the schedule include:

- Case studies of data management projects
- What's new in EarthSoft applications
- Laboratory EDDs and data workflows
- Making agency deliverables

The purpose of the EQUIS User Group is to represent a broad cross-section of data management professionals. Please contact David Towsey or Kristin Garboski with suggestions for additional topics or presentations.
